---

EXPERIENCE **Graphic Designer, The Voinovich School of Leadership and Public Affairs, June 2006–Present**  
Sole in-house designer responsible for supporting the diverse project work of the School, from report design to banners and event collateral, primarily through the creation of print materials, with some web and digital design. Other responsibilities include photo correction, communications with printers, website updates and management of student photographers, designers, and writers.

**Graphic Designer, MAPC Printmaking Conference “Forging Connections,” June–September 2006**  
Designer of all print materials needed for a four day conference. Materials include newsletter, daily programs, creation of original maps for venues and gallery cards. Responsible for all communications with printer, worked directly with event coordinator and faculty members.

**Graphic Design Intern, The Voinovich School of Leadership and Public Affairs, Fall 2005–Spring 2006**  
Working as an in-house student designer primarily in support of the Director’s office print design.

**Ohio University Printmaking Faculty Assistant, Ohio University, Fall 2005–Spring 2006**  
Assisted faculty with various academic duties throughout the year as well as their personal studios helping to print or edition their artwork.

**Bindery Assistant, Globus Printing and Packaging, Winter Break 2004 and Summer 2005**  
Worked primarily in the bindery collate pages and binding, also packaging products for shipment. Supervised second-shift bindery department during summer 2005.

---
